

Dear Gay,

I've written this recommendation of your work to share with other LinkedIn users.

Details of the Recommendation: "Gay Brown tutored my daughter Brianna Anderson for a period of 3 semesters starting in second semester Year 5 2012 until the end of 2013.

Brianna was struggling in school and was a C grade student (bottom end) with effort a C. At the completion of the tutoring period, Brianna was a high end C Student, with Effort being an A. Gay's style of tutoring has allowed Brianna to still be a high C Student with A for effort in 2014 and has just recently been accepted into a Creative Writing Programme that Bassendean Primary School only selected 12 students from all the grades. Gay has instilled in my daughter a great school ethic, that trying your best gets results and that it's ok to want to learn. I thank Gay so much for this and Brianna will be thankful for this in the future. I recommend Gay to any parent that sees the potential in their children so Gay can give them a nudge in the right direction. Brianna is a confident student and always tries her best. Thank you so much Gay."
