

RE: Testimonial Mr.'s Gay Brown Private Teaching Tutor

Subject : Mr.'s Gay Brown Letter of Recommendation for private teaching studies.

To whom it may concern:

Mr.'s Gay Brown has been privately tutoring our two daughters Alexandra and Samantha and son Ralph for the last eighteen months. Their ages are 5/6/7 respectively.

During this time Mr.'s Brown has done an absolutely splendid job tutoring all three of our children.

Our children have achieved better grades for their school work due to the due diligence and excellent tutoring. Our children now have a better understanding of the school curriculum and how to execute school work requirements set by the teachers.

Mr.'s. Brown conducted her tuition in the most professional way and manner and we have absolutely no problem in recommending her for any future parent looking to help their children with school and academic work.

Mr.s Brown has always taken time out to explain finer details and possible solutions to problems with our children and is a very conscientious and diligent person who demonstrates excellent ability to get the best possible result.

We wish Mr.'s Brown continued success for the future.

Yours Sincerely,
