

To whom it may concern

I am writing this testimonial to strongly recommend Mrs. Gay Brown as a tutor for students who would like to improve their English skill.

My son came to Perth from Japan two years ago aged 10 years. He couldn't speak English at all and had difficulty to communicate with teachers and other students in school.

Some friends recommended Mrs. Brown as an experienced English tutor for students who couldn't speak English and my son started having her lessons.

Based on her qualifications as a professional tutor and a lot of experience tutoring students, she understands each student's weak point in English and customizes the program for the individual student. In the case of my son, English grammar, vocabulary and pronunciation were focused on. Also she arranged the program in accordance with my son's progress or improvement.

In addition to her skill and experience as a tutor, she was very kind to my son and always encouraged him; therefore he enjoyed her lessons very much.

My son has been taking her lessons for one and half years and now he has confidence in English and can communicate with teachers and friends with no difficulty and enjoy his school life.

We are very lucky having a chance to meet Mrs. Brown. Her lessons are more than expected and hiring her as a tutor was the best choice for my son. That is why we strongly recommend Mrs. Gay Brown as a tutor.
